Winter 2023

---

### Greetings from the Twin Lakes Community Association Executive!

We trust that you had a wonderful fall and are settling into winter! TLCA wanted to reach out to your household to let you know we are still offering youth and adult programming in your neighbourhood. We had a busy fall running affordable programs in children's [dance](#) and [cheer](#) and [fitness classes](#) for adults. A new set of [home alone](#), [babysitting](#), [smashball](#), [adult volleyball](#) and [adult fitness](#) programs will begin in January 2023.

While we are busy running our current programs, we are also planning for the future. We would love to hear your ideas about what adult and children's programming classes you would like to see in the future. Please [fill out our survey](#) to let us know what you're thinking.

We look forward to hearing from you!
